COMMODORE

Opening Day was beautiful and the ceremony was filled with music, remembrance and some chuckles on missed steps but I believe everyone went away with a smile. Many thanks to Heidi York, who has been my coordinator for several important events this year; including the Holiday Party, Commodore Ball and now the Opening Ceremony. A special thanks to Steve Birch as Cannoneer, this was his first year to fire

Tim O'Bryan

the cannon and he volunteered with very little notice so, thanks again Steve. Also, thanks to my Historian, Paula Phelps for her dedication and perseverance to get photos for the history book and View and to our P/C Dave Horst for all his planning and attention to detail. Opening Day dinner and entertainment was over the top, the Hillbillies show was hailed by all who saw it as "fantastic" and the BBQ dinner was terrific. I want to thank my wife for finding and booking the Hillbillies and of course our opening day committee starting with Chairman, S/C Earl Derschan and Kathy and S/C ML Buck, S/C Jimmy McCampbell and Mary and S/C Ron Phelps and Paula. Kathy came down with pneumonia and wasn't able to be there in person but her leadership was present and a Big thank you to Jimmy for building the stage for the Hillbillies and Mary for bringing and hanging her laundry line across the dining room. The decorations and table settings matched the event to perfection. What a wonderful start to our Summer Season.

Sunday we enjoyed the hospitality of Barry & Ellie Faber and Jim & Sarah Wachtler and a little helping hand from Toni Murphy for their annual continental breakfast and that wonderful egg casserole

Jim & Alicia Koberstein followed on Sunday with a meatless but tasty BBQ with the help of John & Janet Wells, John & Joanne Daugherty, and Paul & Janice Bushaw. Also thanks to Gail and staff for the Quarterdeck Lid lifters on Monday before many headed home for the weekend.

As I said during the opening ceremony, this is a family club because we are one big family and just like at home when it's time to do something the whole family gets involved. Please remember to make your reservations early and make sure if you can't attend you give the P/C at least 48-hour notice. You may make reservations by calling the club and asking Gail or staff to sign you up or by emailing Dave Horst or Gail at the club or simply sign-up while you are visiting the club. Look forward to seeing you at the Island.

VICE COMMODORE

Greetings from Maui known for its beautiful beaches, weather, golf, whale watching, and other fun activities, but especially for its "Aloha". Soon, also to be remembered forever for the CIYC March 23-25, 2012 SPRING CRUISE. I

Michael Levitt

I have been researching venues and activities to share with those lucky enough to be able to make the 2,500 mile Pacific ocean crossing. Especially, a planned full LUAU at the home of your Commodore. The Hyatt Regency Maui, and my secret Port Captain are making preparations for your visit. Please contact me with any questions. If you are planning on coming, hotel accommodations will be more difficult to obtain as time passes. If you are thinking of coming, please let me know your estimated date of arrival and departure and hotel and room preference.

You all should have received your hard copies of the 2011 year book plus an electronic copy. Please send any changes or updates to me. I will schedule them for correction in the 2012 book.

You have just received the June View, packed with photos from the Opening. We try to include photos of all members. If you feel missed please let me know. I have four more issues to publish during the balance of my Flag year to get it right.

Summer is here. Enjoy Avalon. Enjoy your Club.
Michael Levitt

REAR COMMODORE

The clubhouse is really looking fantastic! Several members have asked me about the furniture downstairs. I did not have the money in our budget this year, and several have offered to make a donation to the club to help replace the old furniture. I have sent out an email to that effect. If you would like to donate to replace the old furniture next to the boatique, in the bar area and in the quarterdeck, you can make a donation of any amount by sending a check to me at: Lowell Dreyfus 5635 Evening Sky Dr. Simi Valley, CA 93063 or send me an email at ld4pots@aol.com. Tell me how much and I will have it added to your monthly statement. We would love to have as many members as possible to help make this happen. Thanks in advance.

Lowell Dreyfus

Opening day was great and the parties were terrific. Sorry if you missed it.

Thank you to everyone for your support this year and we look forward to a terrific season at our beautiful facility.

Come and enjoy!

Lowell Dreyfus, Rear Commodore

FLEET CAPTAIN

What a great Opening Ceremony and a strange day. During the morning ceremony, the weather was absolutely beautiful. By the afternoon, Gale force winds were blowing in the channel. Gale Flags were up for two days. I'm happy to say that everyone that needed a mooring got a mooring.

Tom Fipp

I'd like to bring your attention to a few things:

MOORING OWNERS: If you know your schedule this summer or for the next month when you are going to use your mooring or not use your mooring. I would greatly appreciate hearing from you on either the mooring hotline (310) 345-0064 or by email. It would greatly help me in getting non mooring owner members into the harbor.

NON MOORING OWNERS: Mooring owners let the club use their moorings solely out of their generosity. It is not an obligation or a club requirement. When you are allowed to use their moorings, find out who owns it and give them a big thanks next time you see them or better yet, buy them a drink at the bar. It's also a great way to get to meet people you might not know that well.

ALL MEMBERS: When you are in Avalon Harbor, show the colors and fly your CIYC Burgee.

Tom Fipp, Fleet Captain

PORT CAPTAIN

Opening Weekend Wrap Up. Well, as they say, it was a "Yippee Yi Yay, It's Opening Day" weekend!!!

The 2011 Opening Weekend to the 87th CIYC season started off with a posse of people at the inaugural 2011 Friday noon BBQ lunch. This proved to

Dave Horst

be just a warm up to our Opening Day ceremonies on Saturday morning. Much was to be said about the Ceremony, as I'm sure will be mentioned in other columns, but from my standpoint – all was great and over 140 were in attendance!!! After the ceremonies, preparations were well underway by the fabulous committee of four CIYC staff commodores – S/C Earl Derschan, S/C Ron and Paula Phelps, S/C ML Buck and friend Vince, and S/C Jim and Mary McCampbell. This group was indefatigable with stage building and turning CIYC into the blue grass barn, but sorely missed Kathy Derschan, who came down ill just before departing the mainland. Earl carried forth in her absence, and all proceeded to put on one of the best ever opening night dinners in this members memory. The Disneyland group of "Billy Hill and the Hillbillies" had everyone knee slapping to the bluegrass sound of the Orange Blossom Special and others. Capacity was at capacity – and that's all you'll ever know!!! After everyone rode off into the sunset (and winds!!!), the next day saw the tasty breakfast treats of Ellie Faber and Sarah Wachtler on display, where many devoured the eggs, muffins and pastries on hand. Sunday evening brought on more BBQ, with a twist of "picnic" flavors by Alicia and Jim Koberstein. They were ably helped by the Bushaws, Wells and Daugherty's, and by the end of Sunday evening, everyone was thoroughly "pooped" from the full weekend of activities. Bright and early Monday morning, the weather finally started to subside, and CIYC manager Gail Fait and her able staff had put out Lidlifters, fruit, muffins and mimosas. Your Port Captain would like to take this opportunity to thank Gail, her staff, and all of the committee members for their long hours and hard work and preparation to make this a truly memorable "Bit of Heaven in 2011". Thank You All!!!

Introducing the CIYC 2011 Dock Boys

AUXILIARY

So great to see all of our friends back at the Island! Thank you to the Auxiliary members that stepped up to pour & serve champagne at the opening ceremony. I'm not sure who all was helping, but it went great and is soooo appreciated. If you missed Opening Day

Lynnette O'Bryan

you missed an amazing day. A great ceremony with live vocals sung by the lovely UCLA student, Jessica Nakao, who you may remember she sang at the Commodore's Ball this past Spring. The evening dinner was hosted by an unrepresented "4" Staff Commodores and their wives! It was an excellent BBQ feast and the entertainment was crazy fun, like I don't believe this club has ever seen! Straight from The Golden Horseshoe in Frontierland, Disneyland we were entertained with a comedy and music "Spac-tac-u-lar" show by "Billy Hill & the Hillbillies". We had some rip-roaring fun!

At our Meeting Sunday morning we had an update on the Auxiliary Night Party/Fundraiser scheduled for Aug. 27th (the first Saturday evening of SuperWeek). It is a casual "Black & White Affaire to Remember" party where everyone is to wear black & white. There will be heavy hors d'oeuvres food stations and fabulous Auction Items. If you have any items to donate or would like to donate cash please contact Heidi York for an Auction Item donation form or there are some in the Boatique. Fill them out and get them turned in quickly as there are incentives for early donations.

In other news the lady's room is completed and stunning! Our thanks to Maureen & Kirk for all their hard work on the updating. The club looks fantastic, they have really detailed it out. As we do parties each weekend committees need to be conscious of and we need to find some alternatives to pinning and taping decorations to the wood paneling or it will be totally ruined after a season's worth of parties.

Jodi Barb has been working on ideas and sources for some new club furnishings to go along with the designer's plans that we have been working on over the past couple of years. She also showed us some lovely jewelry from her source in Palm Desert called Frasca Jewelers that members may like to purchase. Maria and Jeri from Frasca will donate 25% of any purchases made from their "Rebecca" line by our members back to the Auxiliary. The website to see what they carry is www.rebecca.it to purchase you need to call Maria or Jeri at (760)568-5848 or E-mail frasca.jewelers@verizon.net or stop by 73-560 El Paseo in Palm Desert. This deal will only be good until mid August, so check it out now.

Our next regular meeting will be July 3rd, 2011 10am at CIYC. Everyone is welcome, if you are the spouse of a new or existing member please come. Hope to see you all there!

Lynnette O'Bryan, Auxiliary President

CLUB MANAGER

First, I'd like to acknowledge all of our prayers to the Dougherty family and Joanne (who's smile lights up a room) to be strong in faith. To Ruth and Art DeFever, many heartfelt prayers to you as well.

Gail Fait

We have had a very busy few months, construction is finally done and the saw dust has left for now, the club looks great and we are ready for you all to enjoy!!!! It amazes me we were able to accommodate Huntington Harbor Yacht Club, Dana West Yacht Club and work weekend all while we were renovating the Club.

On another note we will soon get to meet Tina the newest member of the Avalon Sheriffs Department. She's a Belgian Malinois, her job description includes sniffing out bombs, firearms, & drugs. We're making arrangements to invite her to the club so she can show us how she works and what she can do. I'm looking forward to her demonstration in keeping with our new drug free environment program with all our staff.

Gail Fait, Club Manager

GHOST WRITER

It's just something we do. It's not a tradition or written rule. It's just sort of something that happens.

Ghost Writer

For the last many years, a defining object mysteriously appears behind the club bar, usually near the cash register, that pokes fun at the new Commodore. Dave Hoppe's year it was a miniature Ferrari with his head sticking out the window. Jim McCampbell's year was a plastic pink golf cart with the Pink Panther seated on the roof. Jeff Christiansen had a model commercial airliner taped to the register. This year, a friend? has caught the essence of our new leader. Take a look on the shelf next to the register; on careful examination I think you'll agree it says it all about this year's beloved Commodore.

Get well wishes to Ruth DeFever mending from a broken hip, Kathy and S/C Earl Derschan fighting bronchitis and Joanne Dougherty recovering from a nasty aneurism. We'll do the praying...you just heal!

Opening Day...Wow! Some say it was the best on record. So enthusiastic was our Rear Commodore that he extended the Eight Bell Ceremony to ten bells and our rookie cannoner misfired four times before getting it right and then he scared the heck out of our visiting vocalist Jessica Nakao. She was revived in time to sing America the Beautiful albeit acappella since the staff couldn't get the disc started. And, of course, there I stood, hand over my heart, ready for the alligance pledge which never came! But it wouldn't be Opening

Day without a couple of hitches!!

Opening Day dinner saw a sea of cowboy hats and western garb welcome Billy Hill and the Hillbillies including one dance hall hussie in the form of J.W. If the insurance biz ever goes sour I think she may have found the perfect new career. At any rate, heard the dinner of chicken, ribs and all the fixin's a la Margie along with the entertainment was great with the exception that someone forgot to take the laundry down before the show.

Anyway, it was a grand and memorable start to what looks to be another great season at CIYC. Thanks, Port Captain...Yippi Yi Yay...what a great Opening Day!!!
